

"Not at Home"

When the frenzied Fire-Friend calls upon you—have you the ability to tell him "Not at Home"?

No—for no matter how unwelcome the visitor may be, you have to receive him if he comes.

BUT—there's a way to avoid the worst ill effects of his call: purchase protection against losses caused by his visit.

Morning on CHARGE

Buyers have appeared for McBryde at half a point below last previous sale, 100 shares at 2:25 in recess and two lots of 25 each at the same price on the board being recorded. Holders are asking 2.50. Hawaiian Commercial stands at 26.3-8 with a sale of 10 shares. Oahu is down another eighth point to 12.7-8 for 10 shares. Hilo 1901 sixes are unchanged at 80 in a sale of \$500 reported.
Pineapple is now 30 bid and 33.1-2 asked, with nothing doing, against last sale price of 37. Advances on last sales are bid for Hawaiian Sugar, Hutchinson, Pioneer and Wailua.

Don't spend your money on a steepie chase run to the volcano and back. Stay over a steamer or two and see the beauties and wonders of Hawaii. See the Hilo Board of Trade ad. in today's Star-Bulletin telling what can be seen.—Advertisement.

The toxic tendencies of alkaline waters have been corrected with nitric acid experimentally by an Australian chemist, which leads to the belief that vast areas of unproductive land may be safely irrigated in that manner.

DUISENBERG AND PRINGLE GIVEN INDORSEMENTS

Following the lead of the territorial central committee, the Democratic county committee last night made two indorsements of candidates for federal offices here. Ed Duisenberg was indorsed for collector of customs and C. D. Pringle for collector of internal revenue.

The committee held its meeting in Democratic headquarters with nine members present and seven additional proxies held. Fifteen votes "out of 29" are necessary for a quorum. The preceding county committee had a vote that seven were necessary for a quorum and members of the present committee say that the general interest shown in Democracy now is proved by the fact that even with the larger quorum requisite, no trouble is experienced in getting enough for a meeting.

There are rumors, however, that an opposing faction in the committee has decided to stay away from meetings altogether and may even try to form its own committee.

The county committee is standing pat on its indorsement months ago of J. J. Smiddy for road supervisor, and now that Smiddy has been forced out of office, the committee is not taking any action to indorse a successor. A member of the committee this morning said that the organization believed that Mayor Fern should reappoint Smiddy.

It was denied this morning that William H. Miles, precinct committee man, had been "read out of the party" as reported. Miles was simply noted as absent, it was said. No resignations have been received, it is stated, but the committee has decided to enforce strictly the rule that if any member is absent three consecutive times without notice of excuse his place shall be declared vacant.
